

FIFTH MOON

EDNA VALLEY / 2021
GRÜNER VELTLINER

The grapes for this wine were picked at 19 brix, then fermented in stainless steel and Austrian oak barrels to add structure, depth, and charm—though you never would have guessed there is any wood in this wine. Delight in flavors of green apple, grapefruit, lime blossom, and subtle notes of white pepper and wasabi. Pair this wine with spicy cuisine, seafood, and picnics with friends.
